Serving the Community of Edgewater Landing

Vol. XXXIII No. 7 JULY/AUG/SEPT 2021

THE GATE KEEPERS Volume I No. 8 by Jeffeny Hayes

JOAN O'BRIEN has been an Edgewater Landing (EL) Gate Keeper for 15 of the 20 years she and her husband, Johnny, have lived here. Joan moved here from Bergen County, New Jersey where she was born and lived for 58 years. When in New Jersey she worked in Dumont at the Boro Hall Tax Office. She and Johnny have 2 children (son & daughter) and 4 grandchildren.

Joan is a gatekeeper that most of us know. But for new residents you might not have even seen her as she recently resigned in preparation of a move to Colorado Springs, Colorado where they will be closer to family.

Many know Joan and Johnny from past EL adventures. Such as when they joined others in outings driving their Antique Cars. And if that wasn't enough adventure they would be with the EL Gang riding their motorcycles to some destination. Joan had even more adventures being that she has a green thumb and was a member of the EL Garden Club and joined in their trips!

Joan stated that she found being a Gate Keeper very rewarding and enjoyed greeting all the residents and guests. At the time of this publication Joan will have relocated. She said they will greatly miss the Edgewater Landing Community. Well Joan, the same can be said for all of us that you leave behind in that we are already missing you!

In searching for the right farewell we borrow the words from a poet;
"I've learned that people will forget what you said, People will forget what you did, but People will never forget how you made them feel."

Maya Angelou

And YOU, Joan O'Brien, made all of us feel special!

Joan

Summary of EL Board of Directors Meeting on June 3, 2021 *by Paul Wright*

- 60 watt bug lights do not provide the 600 lumens required by our Documents and must be replaced.
- There are still a lot of 'old' decals on vehicles. If your decal has 'Edgewater Landing' it needs to be replaced.
- Dave Brzezowski was commended by all for the Memorial Day presentation.
- More Information Officers are needed. Split 4-hour shifts are possible. We don't want to hire non-residents.
- Bill Lee, Facilities, reported that we will be refurbishing the pool area restrooms and adding drainage to the Gazebo area over the summer. Expenditures for both were approved.
- Winn Cummings, Entertainment, reported that there will be food and entertainment by a guy that played with Jimmy Buffet for the July 4th party.
- Jack Hichak, Neighborhood Watch, reported we need to better educate our guests on pool area rules. There have been several instances of food being eaten and glass bottles on the pool deck, underage children in the spa and children with diapers in the pool. Foreign material in the pool would require draining, cleaning and refilling it, a costly effort.
- Nick Bratton, Nominating, noted that time is running short and we still need two candidates for the Board. Seasonal residents are also welcomed to apply.
- Jack Shuffstall, ACC, reported there were 8 requests for change including siding, a sunshade, gutters, driveways, carports and a Florida room.
- The wording for the proposed amendment to change the requirement for approving amendments to the Declaration or By-Laws was approved. (See the minutes for the wording.) The vote will be in February, 2022 with the Special Member Meeting for the results to follow the March, 2022 Board Meeting.
- The Fire Inspector cited the Association for not having fire extinguishers available in the Boat Yard and RV Storage Area with potential fines up to \$500 per day. Purchase and installation of three (3) extinguishers, with cabinets, for each location was approved.
- Chairs under the pool deck awning have fallen apart and been temporarily replaced by pool-side chairs. Purchase of sixteen (16) chairs for under the awning was approved.

- From Club and Member Participation;
- Put pet 'waste' in your own trash can NOT the nearest, closest or most convenient.
- Report missing fire extinguishers promptly.
- A request was made to run the lake fountains for more hours. All fountains are set to run from 6 in the morning to 10 at night.
- Gene Emter is looking for residents interested in a support group for people that provide caring for someone with Alzheimer's and Dementia to be set up by a lady, Rose Troub, that works with seniors in EL.

The full minutes of the meeting are available on the bulletin board and the website.

SHUFFLEBOARD

Come on down to the shuffleboard courts and join us. We are a group of players just having fun. Beginners are always welcome. It is an easy game to learn, and you don't even have to bend over to play the game :)

Beginning July 1st, the summer schedule is Mondays and Thursdays at 9:00 a.m.

This snook was caught in the backwaters in late May. It measured 32 inches and weighed 11.9 pounds.

TOPLESS ride was on June 22nd to JT's Seafood Shack in Palm Coast. It was a great ride up (some rain coming home), great food, and great friends. The group was led by Bob Gudis and Ginger Clark.
