Serving the Community of Edgewater Landing

Vol. XXXII No. 06 JUNE 2020

Jack Hichak with the mahi mahi caught in Ponce Inlet .

Busy at work are some of our EL volunteers on the boardwalk next to the EL Butterfly Garden.

The EL Garden Club thanks Mike Shewchuk for the addition of a beautiful butterfly house in our garden. Check it out the next time you walk by.

### JUNE MONTHLY CALENDAR - CHECK THE BLUE SCREEN FOR CANCELLATIONS

Due to the coronavirus and the CDC's recommendations for social isolation, we have suspended clubhouse activities until further notice. Please consult the T.V. blue screen (ch. 733) and bulletin boards for updates, should the recommendations from the CDC change. EL Board of Directors

### Why remove Political Signs & Flags in EL?

First, it is not permitted in the EL by-laws and covenants. Those that apparently did not know this received a letter from our attorney, stating they were in violation. Flying political flags or posting political signs creates dissention within our community. We don't need that here in EL. Harmony is better. Thank you, BOD

## AMBASSADOR PROGRAM

Even though we are NOT doing Ambassadors at the clubhouse because of the Covid-19 crisis, the gate hosts are handing out information to those visitors who drive in for a look at our community. One of those information sheets is a price list of homes for sale. If you are listing your house for sale by owner or with a realtor, we'd be happy to include your house on the list. Please call Diana Young at (386) 690-0308 with the address, the price and the realtor's name. Be sure to call her again to remove the listing after the house has sold.

**PARADISE!** We live in Paradise! Our beautiful community, the Intracoastal, the Old Florida foliage around us, the walking trails, the amenities—and not the least our wonderful residents. We each must realize, however, that Paradise does not “just happen”! It takes a great number of volunteers (as well as our great Management Company and employees) to make sure our beautiful community continues into the future. Look at pages 16 and 17 in your directory. Except for the Management Company, every person on those pages is a volunteer plus add all their committee members. These are dedicated residents, willing to give to this community.

Not the least of these volunteers are our dedicated Board of Director Members. Directors are elected for two-year terms and can run for a second two-year term. One year, we elect two Directors, the next we elect three.

Elections 2020 (not US but EL) we have three vacancies. EL is very blessed to have NUMEROUS dedicated, energetic, caring residents with tremendous abilities. Yes, there is effort, time, thought required in these positions, BUT the rewards far outweigh the cost.

PLEASE consider stepping forward for your community! Call any present or past BOD Member. Talk to them—ask questions. Then call the Nominating Chair, Nick Bratton, or any of his committee and submit an application TODAY!

YES, YOUR EDGEWATER LANDING COMMUNITY NEEDS YOU!!

## New Resident Directory

Many small business owners advertised in our recently published resident directory. As we use our directory let us send some of our business their way if possible and let them know where we saw the ad. There is a list of advertisers on page 62 of the directory. Gretchen Lalonde

## EL Website News

An online copy of the Edgewater Landing Veterans List has been posted to the E/L website under the “MISC INFO” drop-down menu. This web page is restricted to residents who have signed on with their USERNAME and PASSWORD or selected the “Remember Me” option. Additions or changes to the Veterans list can be done via email as indicated on the web page.

Over the summer, a “EL FORMS” web page will be set up to make it easier for residents to locate forms. Currently forms are spread across several web pages. The EL Forms web page will be restricted to residents with proper sign on. For the foreseeable future, residents using the online forms will need to print the forms from home and then fill them out. There are no plans to support electronic submission of E/L forms.

**TOPLESS CLUB  
MAY 1ST**

The Topless Club was playing 50's music, sounding from over 24 cars, while cruising through the Landing. Later they drove to River Breeze Park in Oak Hill for a picnic. Fun was had by all!
