The Association of Edgewater Landing Owners provides automobile windshield decals in order to provide easy identification of our residents at the security entrance. Please display your vehicle decal in the lower left portion of the windshield.

If you sell or trade your vehicle, please remove the decal and request a new decal from our office at the Edgewater Landing Maintenance Shed on Thursday between 9:00 a.m. and 11:00 a.m. If you leave our community permanently, please remove the decal and destroy it.

YOUR SIGNATURE: _____
