

2019 Quilt & Needlecraft Show/Bazaar/Bake Sale/Luncheon and Raffle a tremendous success

The ladies with the needles worked very hard to raise money to support the youth of our community with their continuing education.

No longer is sewing, cooking, mending and knitting as well as woodshop quality classes in our schools. Kids need to find other means for life living courses. We now have to search high and low to find kids who want to continue learning home economics.

High schools have made scholarships more difficult for the suppliers too. But thank goodness there are groups such as ours who search out students who want to further their education in certain areas. The people of our community, which support our fund raisers, make all things possible for these deserving students. Thank you

Linda Walsh
