MAKE/MODEL/DESCRIPTION OF GOLF CART:

The Association of Edgewater Landing Owners provides decals to be placed on your golf carts in order to provide easy identification for the Owner's benefit. Please place the decals on the lower right corner of the windshield or in some readily visible location on the front of the golf cart.

If you sell your golf cart, please remove the decal with your lot number. If the golf cart is sold to someone living in Edgewater Landing, advise them to obtain a new decal with their lot number.

Decals may be obtained at the Edgewater Landing Maintenance Shed Monday 9:00 am to 5:00 pm or Tuesday through Friday from 9:00 am to 1:00 pm
